Crosswalk: Job Type/Family/Class to Report Category - See Appendix.

1) This report, *Mean and Median Salaries of Full-Time Employees*, provides mean and median salaries of all regular, not temporary, full-time employees classified either as faculty or staff as of October 31, 2017. Research and Post-Doctoral Associates are excluded.

2) Executive staff, including those who may also have a faculty appointment, e.g. Dean, are included under the occupational activity category, "Executive, Administrative, and Managerial", along with other staff whose classifications fall under this particular category.

3) Employees are associated with the responsibility center of the department that processes their Employee Record (ER).

4) Salaries for faculty with twelve-month contracts are converted to a nine-month equivalent using the factor .818181.

5) The mean and median salary amounts are suppressed when the number of faculty in a particular rank, or the number of staff in a particular occupational activity category, is three or fewer. The Net Total reflects these exclusions.

<sup>1</sup>This report category appears on the page that displays the responsibility center University Library System (ULS), as the report categories must reference both ULS and other responsibility centers that are shown on the report page.

Note: In regards to the two responsibility centers: School of Law and Senior Vice Chancellor Health Sciences, individuals who are faculty librarians (i.e., their job family is Librarian) are enumerated via the report category "Lecturer/Other" in accordance with their faculty rank of Other. This differs from how the data are presented for the responsibility center University Library System, in which case, the ULS data are expressed in terms of the specific job classifications for faculty librarians.
